

DISASTER ADVANCES

The background of the cover is a collage of disaster-related images. At the top, a city skyline with palm trees is shown under a grey, overcast sky. Below this, a large, white, turbulent wave is crashing over a concrete wall. In the center, there is a rectangular inset image showing a paved road that has been severely damaged by a landslide, with large blocks of earth and rock blocking the path. The road is flanked by green vegetation and rocky terrain. At the bottom, a volcanic eruption is depicted, with bright orange and red lava flows and thick, dark grey smoke plumes rising into the sky.
